

E-ITINERARY AND EMAIL

Our e-itinerary has been re-designed to provide a simpler review of essential information you will need on your trip.

Names of Airlines, useful links, and important trip data, result in more concise information for review.

The desktop version offers a cleaner look, and critical trip information at a glance.

The mobile version contains identical information; however, the e-itinerary details are formatted to fit your device's screen, reducing the amount of scrolling required.

Where possible, a quick link helps direct you to important and helpful information.
